

Invites you to attend the following Emergency Service Training Program

Emergency Vehicle Driver Training Instructor Level (3 locations to choose from)

This instructor level program is designed to provide an overview of preferred educational methodology and class content. Participants will receive a flash drive to utilize for their class presentations. The program prepares your operators to become better professional emergency vehicle operators when it involves their own personal safety of their crew, their patient, and the community they are serving. The target audience for this class includes instructors that will be teaching emergency service vehicle operators that utilize a variety of vehicle types.
