

TRAINING ANNOUNCEMENT

Traffic Incident Management for Emergency Responders (SHRP2 Equivalent) Instructor Level

DATE: May 11, 2017 **TIME:** 8:00 AM – 3:00 PM

LOCATION: Muskegon Township Fire Department #2

1117 South Walker Road, Muskegon, MI 49442

The Traffic Incident Management program was developed by responders—for responders, with the objective that nationally; all organizations who respond to roadway incidents acquire a common set of core competencies that promote a shared understanding of the requirements for achieving the safety of responders and motorists, quick response, and effective communications at traffic incident scenes. VFIS has partnered with the Federal Highway Administration in making our program a SHRP2 equivalent program. A VFIS/SHRP2 certificate will be issued upon completion of this program.

The target audience for this class includes a mix of Fire, Law Enforcement, Fire Police, EMS, Dispatchers, Road Dept., Towing, and Traffic Management Professionals. Candidates should be individuals who will bring the program back to their organizations and train additional personnel in a condensed, 4-6 hour cooperative version of the course.
