

Invites you to attend the following Emergency Service Training Program

Emergency Services UTV/ATV Safety Instructor Level

This instructor level program is designed to provide an overview of preferred educational methodology and class content. Participants will receive a flash drive to utilize for their class presentations. This program is designed to review skills and provide refresher training guidelines for ESOs that use specialty UTVs/ATVs to respond to off-road incidents. The focus will provide the opportunity to gain and/or verify a broad range of competencies and best practices associated with driving/ operating UTVs/ATVs safely. The target audience for this class includes instructors that will be teaching emergency service vehicle operators that utilize UTV/ATV vehicles in their operations.
